

COPIER

Copying process:	Single laser beam scanning & electro-photographic printing
Copy speed:	23/28/28/33/33 copies per minute
Resolution:	600 dpi
Warm-up time:	Less than 20 seconds
First output speed:	5.4/4.5/4.5/4.5/4.5 seconds
Memory:	Maximum: 1 GB + 120 GB HDD
Paper input capacity:	Maximum: 3,150 sheets
Paper output capacity:	Maximum: 1,625 sheets
Paper size:	A6 - A3
Paper weight:	Paper tray: 52 - 157 g/m ² Bypass tray: 52 - 157 g/m ² Duplex tray: 52 - 105 g/m ²
Dimensions (W x D x H):	587 x 653 x 829 mm (with ARDF)
Weight:	Less than 65 kg (less than 75 kg with ARDF)
Power source:	220 - 240 V, 50/60 Hz
Power consumption:	Maximum: Less than 1.6 kW

PRINTER

Print speed:	23/28/28/33/33 prints per minute
Printer language:	Standard: PCL5e, PCL6, Adobe PDF Direct, Option: Adobe® PostScript® 3™, IPDS
Resolution:	Maximum 600 x 600 dpi
Interface:	Standard: USB 2.0, Ethernet 10 base-T/100 base-TX, Option: IEEE 1284/ECP, Wireless LAN (IEEE 802.11a/b/g), Bluetooth, Gigabit Ethernet
Network protocol:	TCP/IP (IPv4, IPv6), IPX/SPX
Supported environments:	Windows® XP/Vista/7/Server 2003/Server 2008, Novell® NetWare® 6.5 or later, UNIX Sun® Solaris 2.6/7/8/9/10, HP-UX 10.x/11.x/11iv2/11iv3, SCO OpenServer 5.0.6/5.0.7/6.0, RedHat® Linux 6.x/7.x/8.x/9.x/Enterprise, IBM® AIX v4.3/5L v5.1/5.2/5.3, Macintosh X v10.2 or later, NDPS Gateway Network 6.5 (SP3 or later), IBM iSeries/AS400 using OS/400 Host Print Transform, Citrix Presentation Server 4.5/Citrix XenApp 5.0

SCANNER

Scan speed:	Full colour: Maximum 45 ipm B/W: Maximum 50 ipm
Resolution:	Maximum 600 dpi
Original size:	A5 - A3
Bundled drivers:	Network TWAIN
Scan to e-mail:	SMTP, TCP/IP
Scan to folder:	SMB, FTP, NCP protocol (with login security)

SOFTWARE SOLUTIONS

SmartDeviceMonitor™, Web SmartDeviceMonitor™, Web Image Monitor

FAX (OPTION)

Circuit:	PSTN, PBX
Compatibility:	ITU-T (CCITT) G3, ITU-T (T.37) Internet Fax, ITU-T (T-38) IP Fax
Modem speed:	Maximum: 33.6 Kbps
Scanning speed:	0.5 seconds (A4/SEF/standard mode)
Memory capacity:	4 MB standard, 32 MB option
Memory backup:	Yes

OTHER OPTIONS

50-sheet ARDF, Platen cover, 1 x 550-sheet paper tray, 2 x 550-sheet paper trays, 2,000-sheet LCT, One-bin tray, Internal shift tray, 500-sheet internal finisher, 500-sheet external finisher, 1,000-sheet finisher, 1,000-sheet booklet finisher, Punch kits, Bridge unit, Hard Disk Drive option¹, Memory unit¹, Printer/scanner unit¹, Printer unit¹, Scanner enhance option¹, PostScript 3 unit, IPDS unit, VM card¹, USB2.0/SD slot, Fax option, G3 interface unit, Memory unit for fax, Bluetooth interface, IEEE 802.11 a/g interface, Gigabit Ethernet board, IEEE 1284 interface board, Unicode font package, File format converter, Browser unit, Caster table, Card reader bracket, Accessibility handle, Counter interface unit, Key counter bracket, Professional software solutions

¹ MP 2852/MP 3352 only.

Ricoh has designed these products to meet EC ENERGY STAR guidelines for energy efficiency.

Small footprint A3 MFPs

Compact and affordable

The stylishly designed Aficio™MP 2352SP/MP 2852/MP 2852SP/MP 3352/MP 3352SP are black-and-white A3 multifunctionals, packed with advanced features for cost-effective copying, local printing via USB, fax communications and network scanning. Yet all this comes in a highly compact package; these devices are the smallest footprint A3 MFPs in their range. With short warm-up and fast speeds, these devices increase office productivity. Standard duplex, colour scanning, a high paper capacity and wide media handling capabilities extend their versatility. These A3 MFPs offer you the functionality you need at a price you can afford.

- Highly compact to save valuable office space.
- Enhanced controller specs for extensive functionality.
- Fast: up to 33 pages per minute.
- Network-ready as standard (MP 2352SP/MP 2852SP/MP 3352SP).
- Latest security features fully incorporated.

Innovative multifunctionality

SAVE SPACE

Thanks to Ricoh's innovative Simple Cube Design, these are the smallest A3 multifunctionals in their range. Both the optional internal finisher and standard envelope feeder are built-in, which reduces the number of protruding parts. Their compact footprint saves valuable office space.

OPTIMISE YOUR PRODUCTIVITY

These devices operate quickly, efficiently and smoothly. They only need 20 seconds to warm up, produce their first print/copy in 5.4 seconds or less, and have a maximum print speed of 33 pages per minute. Productivity is further enhanced by high-capacity paper trays.

IMPROVE YOUR WORKFLOW

Distribute documents quickly by scanning – in colour if needed – to e-mail, FTP, SMB or NCP. Print directly from USB memory or SD card, without having to switch on your computer. These devices are also fax-friendly, incorporating a Super G3 modem, Internet Fax, IP-Fax and LAN-Fax.

SIMPLE TO OPERATE

The large LCD colour touch-panel is easy to use and provides clear, step-by-step installation, operation and maintenance guidance. Maximum uptime is ensured through full front access and front-loading paper trays, which speed up replacement and maintenance procedures.

EASY NETWORKING

The MP 2352SP/MP 2852SP/MP 3352SP are pre-installed with Ricoh's App2Me software platform, which runs Ricoh Widgets (optional for MP 2852/MP 3352). These single-task software applications are automatically detected by any App2Me ready MFP once they are installed on a connected PC, laptop or compatible smartphone. These devices also enable seamless network integration thanks to their standard Network Interface Card (MP 2352SP/MP 2852SP/MP 3352SP), and support the Fast Ethernet standard 10/100 BaseTX. A high-speed USB 2.0 interface allows easy local printing.

HIGHLY SECURE

All these devices incorporate the latest level of security features to meet your requirements in this area. They support security standard IEEE2600.1. HDD encryption and HDD overwrite are standard features (MP 2352SP/MP 2852SP/MP 3352SP); your data remains fully protected as only authorized users are able to access your networks.

WIDE MEDIA VERSATILITY

Two standard paper trays and a 100-sheet bypass tray offer a capacity of 1,150 sheets. This is increased to 3,150 sheets by adding a 2,000-sheet Large Capacity Tray. You can opt for the space-saving 500-sheet internal finisher, while other possibilities include a 500- or 1,000-sheet external finisher and a 1,000-sheet booklet finisher. Best-in-class image quality allows you to produce professional, attractive documents in-house.

ENVIRONMENTALLY FRIENDLY

At Ricoh we help you lower the environmental impact of your office as well as lower your cost. These devices have eco-friendly and money-saving features such as short warm-up time, ultra-low sleep mode, high toner yield, standard duplexing and quota setting. In addition, Ricoh products are Energy Star compliant. This means less CO2 is produced in providing the energy needed to run Ricoh devices.
